Principal's Report

Thought for the Holidays:

"Courage is what it takes to stand up and speak; courage is also what it takes to sit down and listen."

Winston Churchill

In conclusion:

Given this is the last newsletter for the term I would like to thank everyone for the manner in which you have approached situations here at school.

I have had a number of chats with parents during the last few months, where concerns have been raised and on all of those occasions the discussions have been conducted with **respect and courtesy**. I would suggest to all parents that this approach is what we all need to adopt in dealing with others.

Let's start the new term (Monday 15th July) with everyone here on time ready for a hard working and rewarding term 3.

Pyjama Dress Up and Give Me 5 for Kids

The last day of term 2 is tomorrow Friday 28th June and it is also a fund raiser for Give Me 5 For Kids and as such dress up day.

We would encourage everyone to dress up in those special pyjamas to support this worthy cause. Gold coin donation.

It's Not OK To Be Away

One of the fundamental characteristics of a sound education is regular attendance. Sick children should not be at school however we are very clearly aware that some of our children miss far too many days of school and illness is not the reason.

Quite simply we cannot teach children who are not at school and missing school has a significantly detrimental impact not only on education but also on relationships and the broader notion of commitment.

Vary Street (Gate 5) Landscaping

Those of you who collect children from Vary Street may have noticed landscaping works in the area next to the crossing exit/entry gate. This area has been blocked off for works to be undertaken and as such, exits will be made through the small gate next to the school mailbox.

Remember though the crossing is still the safest way to cross Vary St.

Hopefully we are back to normal in the first week of term 3.
